ALGO

MODULAR CUSTOM SYSTEM

BROCHURE

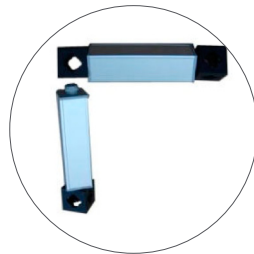

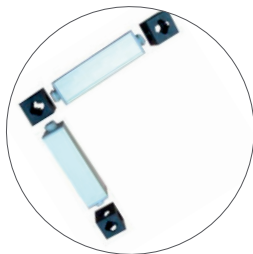

ALGO SIMPLE SYSTEM **BUILD YOUR IMAGINATION.**

OUR SIMPLEST SYSTEM **ONLY TWO COMPONENTS, BUT LIMITLESS POSSIBILITIES.**

Building a custom booth has never been easier and more fun than ALGO – Xibita’s simplest display system. With only two standard components, you can set up the entire display without tools. With ALGO, less is more. Top off your ALGO simple-build system with a variety of graphic solutions. ALGO is perfect for a variety of applications from corporate backdrops, counters, modular exhibits, platforms, kiosks, etc. Never struggle with set-up again, ALGO is the quick and easy solution.

Connecting structures, which come in either straight or curved configurations, are simply interlocked with conubes. Conubes are connector devices with 6 functional sides, allowing for 90° angles to be added easily.
