**ROSO**

RETRACTABLE BANNER STAND

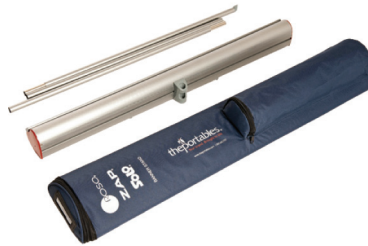

## SET-UP GUIDE

---

## STEP 1: GETTING STARTED

---

Unpack the banner canister, or base, and 3-sectional pole.

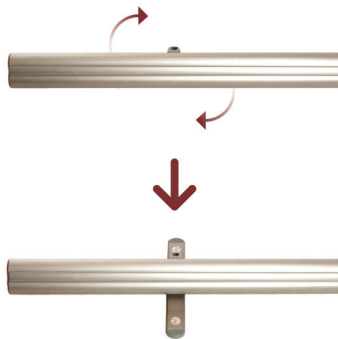

---

## STEP 2: BASE

---

Set the base on the floor with the graphic facing away from you. Pivot the foot 90° to make the banner free standing

---

### STEP 3: POLE

---

Unfold the pole and slip the pieces together to assemble it.

---

### STEP 4: SOCKET

---

With the flat tip of the pole pointing upwards, insert the bottom end into the socket at the centre of the base unit.

---

## STEP 5: TOP BAR

---

Extend the banner from the canister

---

## STEP 6: UPPER POLE

---

Insert the flat tip of the pole into the rear slot of the banner beam. Tilting the unit back towards you may make it easier.
